Hornet Success Story

Mansfield Boys Basketball head coach Mike Vaughan credits the incredible success of the program over the past several years to three things: "Determination, commitment and hard work". Some incredible feats in the last few years include 8 Hockomock League Titles in 9 years, 4 South Section Championship appearances, 3 South Section Championships, 2 Eastern Mass Championship Titles, 2 State Tournament Championship game appearances AND THE 2018 STATE TOURNAMENT CHAMPIONS! 14 years ago, Coach Vaughan took over a program that consistently fell short of the State Tournament. His team, however, through hard work and involving themselves in various camps and clinics have seen major improvements. The Hornets have now made the State Tournament 11 straight years and paved the way for every young child to follow in their basketball dreams. The Hornet Hoop Clinic is designed to teach the skills and philosophies that have helped turn the Mansfield program around. The clinic will be run by current H.S. team players and staff and will include various drills, games and exciting competitions, players will learn from experienced coaches, improve their basketball skills and most importantly, have fun! Must attend all 4 days to be eligible for prizes.
