

College & High School Pick Up League

MPC will host a College & High School Varsity Pick Up Basketball League!

This program has been created to allow college & high school players to have a chance to get better and develop their skills in the off-season. This pick up league will be for college & high school varsity players only and should be used as an asset to prepare for players upcoming 2019-2020 winter season!

Each week we will have court managers who will help mediate the games and encourage a competitive yet positive environment.
